EcoEXEMPT® KO CONTACT INSECTICIDE

EcoEXEMPT®KO is a contact aerosol insecticide for use in and around Apartments, Assisted Living Facilities, Commercial Buildings, Day-care Centers, Factories, Homes, Horse Barns, Hospitals, Hotels, Motels, Nursing homes, Office Buildings, Warehouses, Resorts, Schools, Stables, Stores, Transportation Equipment (Airplanes, Automobiles, Buses, Trucks, Trailers, Boats, Ships and Trains), Zoos and other Commercial and Industrial Buildings. EcoEXEMPT®KO may also be used in non-food/non-feed areas of Supermarkets, Restaurants, Bakeries, and Food Processing Facilities.

DIRECTIONS FOR USE:

READ ENTIRE LABEL. USE IN ACCORDANCE TO LABEL INSTRUCTIONS.

SHAKE WELL BEFORE USING.

For Crack/Crevice and Void Treatments: Important: Use the injector nozzle tip provided. For crawling insects, inject into all crack/crevice and void spaces where insects may be crawling, hiding or living. Release approximately 1 second of product per crack/crevice application and from 2 to 3 seconds per cubic foot of closed void space treated. Apply more liberally for heavy infestations. Applications can be made, but are not limited to, behind baseboards, cabinets, walls, ceilings, door and window frames, and around water pipes and appliances. Ensure contact with as many insects as possible. Repeat as necessary. **For Volumetric Treatment for Void Areas** (attics, false ceilings and crawl spaces): Apply at a rate of 20 to 30 seconds per 1000 cubic feet. Repeat as necessary. **For Outdoor Flying Insect Treatment:** Apply towards target pests. Ensure contact with as many insects as possible. Repeat as necessary.

Note: Painted Surfaces - EcoEXEMPT®KO may stain some painted surfaces. Test in an inconspicuous area before applying to painted surfaces. To prevent staining, wipe away excess with a damp cloth. **Hard floor surfaces** - EcoEXEMPT®KO may make hard floor surfaces slippery - Wipe away excess with damp cloth to avoid possible injury.

Precautionary Statements: Caution: Avoid contact with eyes and skin.

FIRST AID:

IF IN EYES: Flush with water for at least 15 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a physician if irritation persists.

IF ON SKIN: Wash exposed area thoroughly with soap and water.

IF INHALED: Remove person to fresh air. If breathing problems persist, get medical attention.

IF INGESTED: Rinse mouth out with water. Do not induce vomiting. Obtain medical attention if feeling sick or nauseous.

STORAGE AND DISPOSAL: Storage: Store in a cool, dry area away from heat, sparks and open flame. Disposal: When container is empty, recycle if available. If recycling is not available, wrap and place container in a trash collector. Do not puncture or incinerate.

Chemical Safety Information: Call 1-800-858-7378 (National Pesticide Information Center)

Contains no CFC's
